

Public Relations is a crucial part of our primary purpose *"to carry the message to the addict who still suffers"* because it let's prospective members and those who seek to help them know who we are and where to find us

Prospective members hear about us through:

- Public service announcements (local cable TV)
- Posters (pharmacies, doctors offices etc)
 - H&I panel presentations in Detox
- PI presentations in community (schools, colleges, etc)
- Literature available in public places (local libraries)

We're here to serve and to help you serve!
There is no clean time requirement to be a member of Public Relations Committee – come and observe at one of our upcoming meetings!

Under the Public Relations Umbrella are the following subcommittees/workgroups:

- Hospitals & Institutions
- Public Information
- Central Nova Area Phonenumber
- Outreach
- Cell Phone /Helpline
- Poster Campaigns
